MANAGEMENT DISCUSSION AND ANALYSIS

The Company is continuing its focus on developing and acquiring new technologies in respect of culture and hatchery operations in the field of aqua culture. This focus has resulted in the company developing/acquiring new practices of aqua culture. The management is looking forward to work commercially on such culture practices. In order to execute the said strategy, the management may have to put continuous efforts to raise funds to address the new opportunities.

OPPORTUNITIES:

The demand for sea food is increasing all over the world, particularly Indian Seafood exports as could be seen from the increase in exports during 2017-18. One of the reasons being, seafood is considered as healthier compared to other forms of meat. India is gifted with long coast line ideally suited for development of aqua culture and seafood industry. A planned development would provide abundant opportunities for seafood industry. The successful adoption of Vannamei Species shrimp culture is poised for a significant increase in the shrimp production and export.

THREATS:

The aqua culture activity is dependent on climatic conditions prevailing during season to season, which is unpredictable. Natural calamities like floods, cyclones, during the culture season can have serious impact on the prospects of successful culture. In spite of technical advancement and development of Specific Pathogen Free (SPF) seed, the possibilities of the shrimps getting affected by virus and diseases cannot be ruled out. Volatility of international prices of shrimps and fluctuating foreign exchange rates, US anti-dumping duty and US Countervailing Duty continues to be the major areas of threat for the industry. However, development of potential domestic market to support exports, strict adherence of traceability, scientific pond management, a judicious approach on prices and forex management is expected to reduce the impact of threats to a great extent.

OVERALL OUTLOOK OF THE COMPANY:

The outlook for the industry is forward looking with increased areas coming under Vannamei farming. Andhra Pradesh, Gujarat, Orissa and West Bengal is expanding its Vannamei farming. This augurs well for the industries further. India has emerged as the largest exporter of shrimps to USA.

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN
DATE ON THE FINANCIAL STATEMENTS OF INDO AQUATICS LIMITED
REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE
(I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT,
2013 ("THE ACT")**

We have audited the internal financial controls over financial reporting of Indo Aquatics Limited ("the Company") as of 31st March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of an authorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

INDO AQUATICS LIMITED

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Dear Shareholder,

Re: Green Initiative in Corporate Governance: Go Paperless

The Ministry of Corporate Affairs (“Ministry”), Government of India, has taken a “Green Initiative in Corporate Governance” by allowing paperless compliances by companies through electronic mode. In accordance with the recent Circular No. 17/2011 dated 21.04.2011 and 18/2011 dated 29.04.2011 issued by the Ministry, Companies can now send various notices/ documents (including notice calling Annual General Meeting, Audited Financial Statements, Directors’ Report, Auditors’ Report, etc.) to their shareholders through electronic mode, to the registered email addresses of the shareholders.

It is a welcome move for the society at large, as this will reduce paper consumption to a great extent and allow public at large to contribute towards a greener environment.
